Session Information

Rates Sessions are \$90 and generally run 45 minutes to 1 hour. If it is in spiritual truth for both the client and healer, a different fee is possible.

Confidentiality What you share in sessions is confidential. I may share some personal information in supervision in order to better serve you, but if at all possible I do it in such a way that you are not identified. The supervisor also observes confidentiality.

Cancellations If you need to cancel, please let me know as soon as possible. If you cancel at least 1 full business day (non-holiday weekdays) in advance, you do not need to pay for the session. Phone sessions are also possible.

Recording You are welcome to record sessions if you wish. I will record phone sessions as mp3 files if arrangements are made in advance.

Phone sessions Phone sessions are generally fine. For Pathwork Helper sessions, at least some in person sessions are recommended if possible.

Focus The goal is to help the client on his/her spiritual journey by learning the truth about him/herself and by uncovering the connection to God within. I offer wisdom & skills gleaned from my own personal work and training in the Pathwork, Sufi healing and other modalities. This is not a therapy type of relationship although sometimes the issues addressed are the same. The client is fully responsible for his/her process and choices and is encouraged to follow his/her own guidance.

Types of sessions

- ❖ Individual
- ❖ Couples or small groups who want to work together to address a certain type of issue
- ❖ Mediation/conflict resolution for couples, legal adversaries and others

Groups & Classes Check the web site for classes. If you are interested in a class or group that is not scheduled, I will schedule one if there is enough interest.

Pathwork sessions A Pathwork helper/worker relationship is ongoing. I generally recommend weekly sessions. Because of the nature of the work, please allow at least two sessions for closure if you decide to terminate.

Referral discount If you introduce someone to Flowing Spirit Healing who either receives a session or participates in a class at the introductory or full rate, then you are entitled to a 33% discount on your next session or class (please ask).

Receiving guidance Vywamus: If you have doubts about . . . the guidance you receive during the session or any other aspect of the process, examine it very carefully. It will serve your process. And learn to trust, yet discern. One should not give up one's power of discernment because the source is purportedly a higher entity. You must always be the final judge. But you have to learn to know when your judgments, your bias, your past is determining your decision and when your heart is. This may take some time. Do not hesitate to make a mistake. No mistake is uncorrectable in the grand plan. Do what feels right. If it later feels wrong, try to correct your error, make restitution so to speak. Your process will be served. If you have questions, feel free to ask.
